PREFABRICATED & MODULAR BUILDINGS

Architectural design begins with vision and conception. Whether you leave the planning to our team of architects or you have a vision we can make reality, we guarantee a result beyond your expectations.

MEZZANINES & INDUSTRIAL PLATFORMS

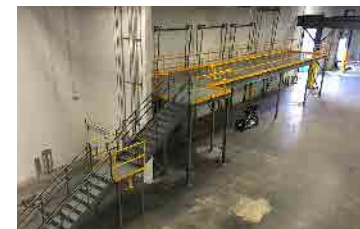

No aspiration is too lofty for the team at Fabricon Modular. Take your business to the next level and utilize your space to maximize potential.

PANELIZED OFFICES

We pride ourselves in designing and building spaces that promote hard work and happy people. Let us help you create an ideal workspace where teamwork thrives.

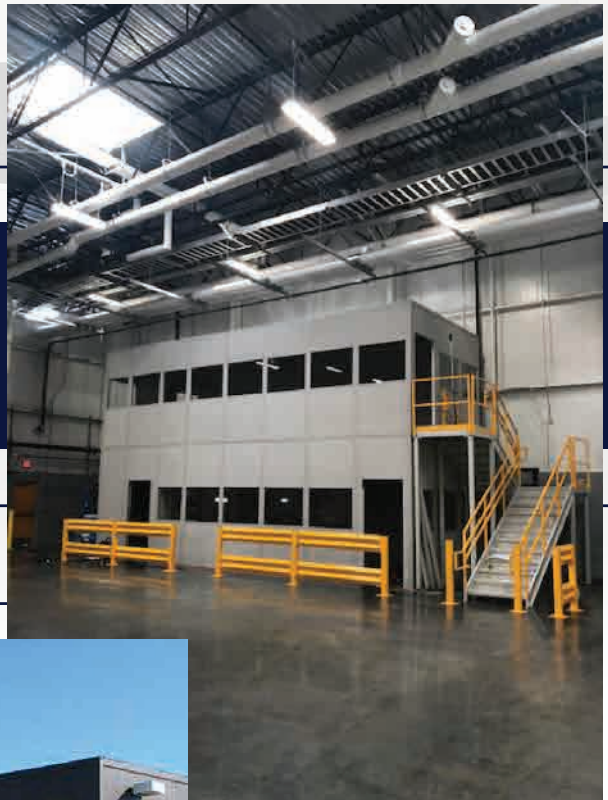

ADD-ONS

Design is in the details. Combining interior design and functionality is key to making your modular environment a vehicle for success.

Get your Building off the Ground

with financing & operating leasing options

No matter how big or small, we are available to meet your needs.

Our team of experts can do it all or tailor the project to your specific needs. We specialize in simple orders, complex solutions and everything in between!
